

## Source File

### Data Declaration

```
TensorDescriptor input, output;  
FilterDescriptor weight;  
setTensorDescriptor(input, ...);  
setTensorDescriptor(output, ...);  
setFilterDescriptor(weight, ...);  
.....
```

### Operators

```
ConvDescriptor con;  
setConvDescriptor(.....); //set all parameters  
ConvForward(conv, input, weight, output);  
.....
```
